COMPETITION UPDATE

We anticipate that competition will be able to restart early next year and there will be opportunities to nominate for teams in both adult and junior local weekly competitions. Some COVID restrictions may still apply, but the Associations will advise those details when more clarity is provided by Government & Tennis Victoria in coming weeks/months.

Juniors: Activity is already underway with Club players and parents being contacted recently for "expressions of interest" to participate in Season 1 2021.

Adults: calls for players interested in Night, Saturday Afternoon and Thursday Ladies Autumn 2021 seasons are likely to be made shortly as Associations release dates etc.

We will alert everyone when the details come through.
