

## RPTC RAMBLINGS – GIRLS FREE COACHING PROGRAM

The girls coaching program has started very successfully and we currently have 7 girls registered, they are all beginners. The program has had very positive feedback from both the girls and their parents over the last three weeks.

If you have not heard of this program it is aimed at teenage girls between the ages of 12 – 17 (although younger maybe accepted) and runs for all of term 3 and term 4. The coaching consists of a 1 ½ hour lesson followed by some snacks and social time.

It also comes with a free 6 month membership for the girls so they can come to the club and hit at any time. The package is valued well over \$250 per player and is covered both by Royal Park Tennis Club and a grant secured from Tennis Victoria aimed at increasing female participation.

The club is doing what it can to increase the numbers and it is not too late to join in. Some of the girls plan to bring friends along to join in. Please come along.

The club would also like to thank Matt Gregory coaching who has provided two wonderful female coaches whom are also embasitors for the game of tennis.
